## SUDDEN DEATH OF MRS. B. SQUIRES

Sufferer of Asthma For Twenty Years. Born and Reared Near Hardinsburg.

Death came unexpectedly to Mrs. Barney Squires on Sunday morning at 7 o'clock at her home in this city. Altho she has been a sufferer of asthma for twenty years, Mrs. Squires' last illness was a duration of only a week, and the end came suddenly, brought on by an attack of asthma caused from a severe cold.

The funeral service was held from the residence Monday afternoon at 2 o'clock. Rev. A. N. Couch assisted by Rev. E. B. English, of Hardinsburg were in charge of the services, and Mrs. L. T. Reid sang "Tis the End of a Perfect Day," a favorite song of Mrs. Squires. The interment took place in the Cloverport cemetery.

Mrs. Judith A. Squires was the daughter of Andrew and Annie DeJernett. She was born February 22, 1864, near Hardinsburg, where she lived until her marriage to Mr. Barney Squires on December 26, 1881.

The result of this union was four sons, Andrew D. Squires, Garfield; Gideon P., of McQuady; Milton and Barney F. Squires, of Cloverport; two daughters Mrs. Robert Hendrick of Hardinsburg, and Miss Kathleen Squires, of this city, all of whom survived with the father.

Mrs. Squires was converted and united with the Baptist church at New Bethel in 1885. Mr. and Mrs. Squires moved to Cloverport twelve years ago, the former being engaged in the milling business of Squires and Bandy.

Mrs. Squires was an estimable woman. She was devoted to her home and family, and enjoyed serving her friends and neighbors with the little homely deeds that count for the value of a true friend. Her life expressed the gratitude of the Father's goodness:

"Since from His bounty I receive

"Such proof of love divine.

"Had I thousand hearts to give,

"Lord, they should all be Thine," children within a week's time. Their

oldest child, Miss Susie Thomas Payne, aged sixteen years, died Monday morning at five o'clock.

Surviving with the father and children are two grandchildren and two sisters, Mrs. W. E. Houston, of Louisville and Mrs. G. P. Miller, of Kirk.

The relatives who attended the funeral from out of town were: Mr. and Mrs. W. E. Houston and son, Percy, of Louisville; Mrs. G. P. Miller and Mrs. Alvin Miller, of Kirk; Mrs. Ralph DeJernett and Mrs. Carl Dutschke, Louisville; Mrs. Allie DeJernett, Mrs. Taylor Beard, Silas Miller, Hubert DeJernett, Billy Hendrick, John Hendrick, Allie and Dennis Squires, Rev. E. B. English, Mrs. English and children, all of Hardinsburg.

## INFANT FOUND DEAD.

Mook, Ky., Feb. 9. (Special)—Victor, the infant son of Mr. and Mrs. Eva Leslie was found dead in bed Sunday morning and was buried at Fairview cemetery, Sunday afternoon.

## WELL LOVED MAN PASSES TO HIS LAST REWARD

Owen Fentress, Falls of Rough Buried by Masonic Rites.

Falls of Rough, Ky., Feb. 10. (Special)—On the evening of Feb. 4, death removed Owen Fentress, age 58 years, from his home and family. Mr. Fentress was ill three weeks. He had been a Mason for a number of years, and was buried with the last rites of the Masonic order.

Mr. Fentress was united in marriage thirty-two years ago to Miss Mary E. Bozarth, who survives with five children. He was a member of the Methodist church, and will be greatly missed in his home and neighborhood where he was loved for his helpfulness and consideration of others.

## NO DECLINE IN INFLUENZA CASES

Public and Parochial Schools Are Closed This Week. Many Cases Reported.

The influenza epidemic continues on the increase with its victims in Cloverport, and comparatively few homes seem to be escaping without one or more cases.

The Cloverport Public school and the St. Rose parochial school are closed this week owing to the number of cases among the teachers and pupils.

The number of employees of the L. H. & St. L. R. R. shops has been greatly depleted during the epidemic. At one time twenty-two men were off due to illness either in their homes or among themselves.

The influenza is more prevalent in Cloverport this year than last, and while many of the cases are serious there have been no fatalities from thus far.

## AGED RESIDENT OF COUNTY SUCCUMBS

Mr. Thos Hardaway Expired Sunday Morning. Remains Buried in Family Grave-yard.

Irvington, Ky., Feb. 10. (Special)—Mr. Thomas Hardaway, one of the oldest and most esteemed residents of Breckinridge county, expired at his home in Bewleyville, on Sunday morning at 9 o'clock. His death was due to infirmities of age and complications.

The funeral was held Monday afternoon from the residence. Services were conducted by Rev. C. S. Hartford, and the interment took place in the family burying ground at Bewleyville.

Mr. Hardaway resided with his son, Mr. Pierce Hardaway, and Mrs. Hardaway, who survives with four other sons, Glen, Hunter, E. E. Hardaway, of Louisville, and Moorman Hardaway, of Minot, N. D., and a daughter, Mrs. Sargent Drury.

## KY. SOLONS GIVEN RECEPTION BY K. S. U. STUDENTS

Rep. Cain Tells Briefly of Conditions Regarding Ky. Home Society. Meets Breck. Co. Students.

The Kentucky Children's Home Society is not guilty of the charge of consigning children of normal mind to the Feeble Minded Institute for the simple reason that they could not, if they would, because if such mistakes are made, the courts are responsible. There are other reasons that space will not permit me to explain.

Representative Huntsman, Chairman of the Committee to investigate conditions at the Institute, is a great lover of children, has a tender heart and was greatly shocked to find children of practically normal minds housed and herded in same rooms with children of varying degrees of feeble mindedness, including those who are helpless. I suppose he was misinformed as to who was responsible for the admission of the few children of normal minds.

The deplorable feature of the situation up there lies in the fact that near normally minded children are forced to associate, board and lodge with hopeless cases and no provision is made for training or improvement. Imagine the effect.

### Reception and Banquet.

A reception in honor of the Kentucky solons by the University of Kentucky at Lexington, followed by a banquet at the Phoenix Hotel, was enjoyed by all. The program provided an entertainment by the young lady students in Patterson Hall where refreshments were served and where I had the pleasure of meeting Miss Kincheloe, of Hardinsburg, Miss Milner, of Union Star and Miss Wool, of Hawesville.

A fine body of young womanhood indeed. Some were beautiful, other homely, but all were made charming and attractive by the light of intelligence. The students in this institution are being properly trained by well-paid competent teachers. Good results naturally follow.

The object of the reception was to win favor and support for the measure seeking to appropriate a large sum of money for the benefit of the institution, which undoubtedly merits the same. However, before it gets mine I must have assurance that relief will be given our rural schools.

### Unlawful Contact.

In the penitentiary the other day I saw trained men making shoes, shirts, chairs, etc. For this skilled labor, that is worth from \$3.00 to \$5.00 per day, the State receives 80c per day under an unlawful contract made with certain manufacturers. Steps are being taken to remedy this evil and I'm going to make it my business to watch them and inform you as to their progress.

One day after the Anti-Mob bill was passed a mob appeared in Frankfort to force the delivery of the perpetrator of the awful crime that was committed in Fayette county. The mob was dispersed but not on account of the aforesaid bill. I do not think much of this bill any way. It seems to me that the remedy lies in the speeding up of the action of the courts.

### Cloverport Would be in 4th. Class.

The House has recently passed a measure under which Cloverport and Hawesville would be made Fourth Class cities.

On Thursday "Old Tige" was tabled as fast as he appeared. The bill seeking to permit him to roam at large will, I think, also be defeated. I love "Old Tige" but Oh! You "Woolies!"

The bill to prohibit the use of party emblems will pass in the Senate but we will defeat it in the House.

A bill has been introduced appropriating \$75,000.00 annually to the Illiteracy Commission. I am opposed to it.

The eighteen or twenty school bills will be considered next week as well as some of the road measures.

### Thousands of Schools Closed.

The Superintendent of Public Instructions made an interesting address before the Senate of Friday. He said that thousands of schools were closed, 1400 teachers quit the service and that 52 per cent. of the children were unable to attend school during the past year. He declared that a crisis exists.

Under the provision of a measure that has been introduced the assessment of property can not be made without viewing and personal inspection of the same. This is definite and business like. Let the assessor come to your place take your oath, view your property and assess it.

"Taxation" is the name of a magazine published in Louisville. Write to P. N. Clarke, Columbia Bldg., and ask him to send you a copy of January issue. I have no authority for advising this but it is worth asking for.

I have several letters all of which were welcome and have been read with interest.

Yours sincerely,  
Roy J. Cain.

## FRENCH GOVERNMENT TO HONOR COUNTY HEROES

Nearest of Kin of All American Soldiers Who Died Will be Honored. Service in Hardinsburg, February 22.

Hardinsburg, Feb. 9. (Special)—A service will be held in Hardinsburg, 2 o'clock, Sunday afternoon, Feb. 22, at the opera house when memorials will be presented to the next of kin of the Breckinridge county boys who lost their lives in the late war. The program for this service is being arranged by the county post of the American Legion, and the Red Cross Chapter of Breckinridge county.

The French Government will present a memorial diploma to the nearest of kin of Americans who died in the service for their country during the World War. The diploma drawn by Franklin Booth, an American Artist to represent one of the bache-reliefs of the "Arc de Triomphe" in Paris, will bear the name of the deceased soldier, with a recognition from the French people signed by President Poincaré.

Former soldiers in uniform will act as ushers, and seats will be reserved for the relatives of those who died during the late war. Those who have relatives who died in the war should send their name and name of soldier to Post No. 1, American Legion, Hardinsburg, Ky., in order that the American Legion may correct any mistakes that may have been made by the Government in the distribution of memorials.

Everybody is invited to attend and do honor to those who sacrificed their lives for their country. All former soldiers and their families are especially urged to be present. Complete program will be published in next issue of the county papers.

## SURVEYORS NEAR-ING UNION COUNTY

Daviess County is Covered Rapidly. Ambulance Trucks Added To Outfit.

The surveyors for the Louisville-Paducah highway went through Daviess county almost with a hop, skip and jump. They were only four days passing through it, and are now nearly to the city of Henderson. The men have been in Henderson county since Thursday, and quit Saturday a few miles from Green River. At the rate they are going now they expected to reach Morganfield, Union County, the latter part of next week.

Since leaving Cloverport, two large ambulance trucks have been added to the outfit. These are covered trucks with ample seats for the men, and makes it more convenient for hauling the men to and from their work.

While the men have had comfortable headquarters in Owensboro, a Cloverport boy who is a member of the party, says it's nothing unusual to hear some one of the surveyors remark "Oh boy, don't you wish you were back in Cloverport?"

## RECOVERING FROM AN OPERATION

Mrs. Thos. Thresher, of near Hardinsburg, and formerly of Lewisport, underwent an operation for gall stones at the Owensboro City Hospital recently. The friends of Mrs. Thresher will be gratified to know that she stood the operation very successfully and is improving steadily.

## MOTHER AND SIX CHILDREN HAVE INFLUENZA.

Mrs. J. M. Crenshaw and her six children, who live near Cloverport, are all ill with the "flu," developing it Monday morning. Mr. Crenshaw is the only member of his family who has escaped the epidemic thus far.

## REMAINS OF JOHN NICHOLAS BROUGHT TO GARFIELD FOR INTERMENT, WEDNESDAY.

Garfield, Ky., Feb. 9. (Special)—John Nicholas, who died in Louisville, of pneumonia, was buried in the Garfield cemetery, Wednesday. He is survived by his widow and one daughter, Mrs. A. M. Wood. Funeral service was conducted at the home of his daughter, by Rev. C. L. Brumington.

### KEEP OFF INFLUENZA BY BEING CALM AND UNAFRAID.

"Well persons will be benefited by the diversion of the theatre. Sick persons should be at home for their own good and for the public good. Fear is a great factor in lowering resistance. Go about your affairs calmly and unafraid," says Dr. Royal S. Copeland, Health Commissioner of New York City, who made this statement to the National Association of Motion Picture Industry.

## NEW OWNERS TAKE CHARGE S'PORT MILL.

R. L. Redman's Family Move in New Home.

Stephensport, Ky., Feb. 9. (Special)—Messrs. R. L. Redman and L. J. Perkins took charge of the Stephensport Flouring Mill, Monday. The mill was purchased from H. A. Dutschke who returns to his farm which he bought recently.

Mr. Redman and his family have moved here from Moolevile and are occupying Mr. Dutschke's residence which they purchased.

## DEATH REMOVES SECOND CHILD

Mr. and Mrs. J. C. Payne Bereft of Both Children Within a Few Days.

Irvington, Ky., Feb. 10. (Special)—Unspeakable is the grief of Mr. and Mrs. J. C. Payne, of this city, who have been bereft of their only two children within a week's time. Their oldest and only child, Miss Susie Thomas Payne, aged sixteen years, died Monday morning at five o'clock, only a few hours after the burial of her little brother, Morris Heston Payne, on Sunday afternoon.

Miss Payne's death was caused from eunemic poison. She was taken at the same time of her brother, but her condition was not regarded as serious. It is believed her death was hastened by grief over the loss of her brother.

Miss Payne was a sweet and attractive young girl, and won many friends with her charm and personality.

The funeral was held from the home of her parents at 10 o'clock Wednesday morning and the interment followed in Cedar Hill cemetery.

## CELEBRATE SILVER WEDDING ANNIVERSARY.

Mr. and Mrs. Curt Ryan celebrated their 25th. wedding anniversary on Friday, with a dinner in the evening to which Mr. and Mrs. J. S. England and Mr. and Mrs. Frank Sanders and their children were invited.

## MCQUADY FAMILY WILL MOVE TO ILLINOIS.

Mr. and Mrs. Dud Moorman and children, of McQuady, have been visiting Mrs. Moorman's sister, Mrs. Jim Brown, and Mr. Brown at Pellville. Mr. and Mrs. Moorman have moved from Breckinridge county and will reside in Illinois, in the future.

## SHELBY HARRINGTON TO ENTER COLUMBIA COLLEGE.

Shelby Harrington, son of Mr. and Mrs. T. J. Harrington, left Sunday for Columbia, Ky., where he will enter the spring term of Columbia College. He has been a student in the Cloverport Public School.

## RETURNED FROM SOUTH.

Mr. and Mrs. Bate Herndon, who have been traveling through the Southern States, visited their daughter, Mrs. B. Terry Weaver, and Mr. Weaver, at their home on Bonnycastle Avenue, Louisville, before returning to their home in Irvington.

## L'VILLE'S ANNUAL AUTOMOBILE SHOW

To Be Held in Armory Feb. 23-28 Inclusive. Will be Greatest in History of South.

The greatest exhibition in the history of the automobile industry in Kentucky will be presented to the public, when the doors of the Armory are thrown open on February 23rd, 1920.

Thousands of dollars have been expended in making the Armory a fitting place for the display of every make of automobile, truck, tractor and accessory known to motordom, each of which will be a revelation of quality, skill and art. All features of entertainment, with the exception of music, will be lacking, characterizing this show as a strictly educational enterprise.

A number of new cars, both by new concerns and by long established ones in this City, will be exhibited, and all these embody the most up-to-date features. There is not a manufacturer who has not improved the quality of his output, and during this week the prospective buyer will have an opportunity to make his selection from among the best models ever presented to the public.

From the standpoint of an exhibition, the 1920 Louisville Automobile Show will probably rank as the greatest in the history of the South. Don't miss it.

## LENT OPENS ON ASH WEDNESDAY, FEB. 18.

Catholic Regulations Differ a Little This Year.

The Lenten season begins this year on February 18, Ash Wednesday, and closes at noon, April 3, Holy Saturday, and April 4, will be Easter.

The Lenten regulations for this year which affect chiefly members of the Catholic church, just promulgated by Bishop Donaghue, of the Diocese of Louisville, differ little from those of former years. On account of the condition of public health, the statement says, the members of the diocese are absolved from the law of abstinence on Wednesdays in Lent, except Ash Wednesday and Wednesday of Ember week. The pastor is authorized where conditions warrant, to dispense individual subjects from the law of abstinence. The time for fulfilling the Easter duty of communion is from the

## LINCOLN

## Abraham Lincoln Said-

"Teach Economy.

"That Is One of the First Virtues.

"It Begins With Saving Money."

When Abe Lincoln was a poor country lad the world did not recognize in him the GREAT ABRAHAM LINCOLN, future president of the United States.

But Abe was HONEST, INDUSTRIOUS and FRUGAL and these rugged qualities of character soon bore fruit in improving his estate.

Lincoln said: "Teach economy."

That's the purpose of this message. BE FRUGAL, SAVING, THRIFTY! It isn't so much the dollar you waste, but the fact that you're CULTIVATING a bad habit in wasting it that has a FAR-REACHING EFFECT on your character, happiness, success.

Save some of your earnings each week. You can't make headway until you do save.

Mrs. Will Moore and daughter, Miss Ruth, visited at Mr. Amon Smiley's, Tuesday.

Miss Nancye Lucas, of Buras is visiting her sister, Mrs. Delmer Lucas.

Mrs. Fidula Galloway visited Mrs. Frank Robinson and family, Tuesday and Wednesday.

M. T. Galloway and J. D. Aldridge were in Hardinsburg, Saturday.

Private Murray Robinson has received his discharge and is visiting his brother, Herbert Robinson and family.

Shickeri Leslie is in Louisville, this week.

Mr. and Mrs. Chintz Drane and daughter, Miss Gladys Drane, were in Louisville, last week to have Gladys' eyes treated.

Mrs. Jim Robertson visited her son Frank and family, Friday.

## GLEN DEAN

Shell Harlow has pneumonia at his aunt's Mrs. Eades in Louisville, 720 W. Chestnut St. His mother and father are there with him.

Mrs. Dallas Wilkerson and son, Elliott Wilkerson, of Owensboro, have charge of the hotel here now.

Mr. and Mrs. A. C. Thornton will move to Hardinsburg, March 1st, where Mr. Thornton has a position with Kincheloe's Pharmacy.

W. C. Moorman was shaking hands here with his many friends on last Saturday.

Miss Ilene Mattingly visited her sisters here recently and has returned to St. Mary and Elizabeth Hospital in Louisville, where she is in training for a nurse.

Mr. J. H. Sparrow and son, Chas. E. Sparrow, shipped tobacco to Mercer county, last week.

## JAVA TEAS AND COFFEES IN AMERICA

At the annual meeting of the Nirma Plantations Company, the controlling tea estates in Java, one of the directors had the following to say about Java tea in America: "During the war, when Java tea was not allowed entry into England or into Australia, markets were restricted, and a very large quantity of Java tea was sent to America. There is no doubt that this has proved to be the best thing that could ever have happened to the Java growers. They suffered losses, but they have had a wonderful advertisement, and Java teas today are very popular in America. When Russia is again in the market the same thing will happen there."

The total exports of coffee from Java during 1918 were less than half of the preceding year. The total export decreased from 18,500 tons in 1917 to 5,500 tons in 1918. When the armistice was signed, however, a revival of trade was experienced for all kinds, for a strong tendency to buy was observed from all parts of the world. Careful estimates of the coffee production in 1919 in Java, Sumatra, the Celebes, and Bali indicate a total yield of 892,341 piculs, or 118,978,800 pounds.

RACE SUICIDE  
HITS RUSSIA

Birth Rate Decreasing Due to Physical Conditions.

## MARRIAGES ARE NUMEROUS

Government Offers Inducement for Ceremony by Making Official Gift of Expensive Cloth to Every Newly Wedded Couple—Decree Granting Absolute Equality to Women Is Contributing Factor to Further Race Suicide.

Marriages, made easy by official decree, are more numerous than ever before in Russia, but race suicide is rampant, according to a representative of the Jewish International Workers' union who has returned to Berlin after spending two years in observing conditions throughout the soviet republic.

## Undernourishment the Cause.

Physiological conditions, arising from the long period of undernourishment, is said to be the cause of fewer children. Liberal marriage and divorce laws are responsible for the increasing number of marriages. One of the government's biggest inducements to marriage is the official gift of approximately 34 yards of expensive cloth to each newly wed couple.

The greater number of Russians are so reduced economically that they have contracted marriages for no other reason than to obtain the cloth offered by the government. Many of these couples, after the ceremony, sell their cloth for sums varying from 3,000 to 4,000 rubles, split the receipts and then go their separate ways.

## No Trouble to Get Divorce.

The government's decree granting absolute equality to women is also a contributing factor to further race suicide. Not only in theory, but in actual practice, the Russian women enjoy men's liberties and responsibilities. Having been granted the same wages the same political treatment and the same duties, many of the women, being thus forced to become breadwinners, are compelled to forsake home duties.

The bolsheviki, who take the position that marriage, although a sacred institution, should not be maintained after husband and wife cease to live together in harmony, have greatly simplified the matter of obtaining a divorce. They seek, however, to maintain family life, but are learning that their decrees, when put into action, tend to family disintegration.

## LATE JAMES FOUSHÉE HAD DAUGHTER IN THIS COUNTY.

James Foushee, age 71, and one of the best known farmers in the county, dropped dead at his home near Ekron, Thursday. Mr. Foushee had eaten a hearty dinner and was apparently in his usual good health. His death was due to heart failure. He is survived by his wife and five children, Mrs. Nettie Hilf, of Rock Haven; Mrs. Gilbert Kasey, of Bewleyville; Mrs. Guy Bunger, of Ekron, and Ernest and Fred Foushee, of Garrett.

Mr. Foushee was a member of the Masonic Lodge. Funeral services were held Friday at Buck Grove, conducted by Rev. Roy Mason—Meade Co. Messenger.

PERRY COUNTY MAN DIED IN INDIANAPOLIS.

Mr. O. J. Avery, brother of W. S. Avery, of Tobinsport, died at his home in Indianapolis, Jan. 25. His death was very sudden, due to an attack of acute indigestion. He was a native of Perry county, Ind., and was 66 years old. With his brother, he is survived by his widow and three children.

WEDNESDAY,

FEBRUARY 11, 1920

W. Sherman Ball wants to represent the Republicans of the Fourth Congressional District at Chicago convention. Mr. Ball is deserving of this distinguished honor. He is a party man, always on the firing line when his party calls—and never dodges an issue. He is worthy of the trust, and his party in this county is for him to the man. Here's to you Mr. Ball. We hope you will be an easy winner.

## FARM AND STOCK

J. L. Jolly who farmed with Beard & Dowell, Holt's bottom, last year has bought his father's farm, (Sam Jolly) near Glen Dean, and is moving over there this week.

C. V. Robertson sold 7 pair mules last week for \$3,500.

Beard & Hall shipped 29 head of cattle last week to their farm in Holt, to feed.

Miss Ruth Crider, of Louisville is visiting her grandmother, Mrs. J. C. Mattingly and her aunt, Miss Emma Lou Moorman, at Glen Dean.

H. L. Waggoner, Hites Run, has bought a thoroughbred Big Bone Poland China boar to head his herd. Price \$150. He sold 3 gilts, W. J. Owen & Sons' stock at \$40 per head. Scott Smart, J. N. Conkwright, Noble Sahlie, 2 boar pigs, one to Carl Tinnius and one to Pat Greenwood at \$25 each.

G. P. Smith, Mook, reports sale of

his tobacco, 2,000 pounds at \$30 and 2,300 pounds of dark at \$15 round. Says he sold early in the season and is glad of it.

W. J. Owen & Sons, Valley Home Stock Farm and the home of Pure bred Poland China hogs shipped last week to R. Lewis, Cornelia, Ga., 1 bred gilt \$60, 1 bred gilt and 3 pigs to John S. Slusher, Four Mile, Ky., \$90; 1 fall sow pig to J. W. Keiser, West Milton, Pa., for \$25. Breckinridge county breeders are building up a good foreign trade, which tells the story of good high class stock.

Henry Harper returned Saturday from Henderson where he had been visiting his son, Charlie Harper. He stopped off at Stephensport, to visit his son, Allie, at Bunday, Ind. He has three sons at Webster, John, Ben and Joe, a daughter. Mrs. Scott Knott, at Valley Station, one son, J. M. Harper, of Harned. Says it keeps him busy now keeping up with all his children.

Thurman Smith, formerly of Stephensport, and a brother of Roland and Hawkins Smith has moved to his farm near Elizabethtown. He has been a resident of Louisville for over 20 years, dealing in coal, has made good saved his money and retires to a good farm. His many friends in this county will be glad to know of his well doing.

Warren Burnett, of Owensesville, Ind., was visiting his sisters, Mrs. Rebecca Clark, Glen Dean, Route 1.

Owen Fentress, Glen Dean, 52 years old died Feb. 3, at his home. Wife and five children survive him. He was buried at Pilgrim church near Rockvale.

J. R. Jolly, Nelson Jolly and B. M. DeJernette, McQuady, attended the Farmers Home Convention, held at Lexington, last month. They said they enjoyed the trip and the convention and brought home some good things that they will apply in their business of farming. There is nothing like farmers getting out and mixing with men that are up-to-date and doing things.

## CALL FOR REPUBLICAN COUNTY CONVENTION.

Pursuant to call and directions of the Republican State Central Committee, the Republicans of Breckinridge county the hereby called to meet in mass convention at the court-house in Hardinsburg, Kentucky, on Saturday, Feb. 28th, 1920, at one o'clock p. m.

The purpose of this Convention is to select 25 delegates from Breckinridge county to the District Convention which meets March 2nd, 1920, and to the State Convention which meets in Louisville, Kentucky, March 3rd, 1920. Said District and State Conventions will select delegates and alternates to the Republican National Convention, at Chicago, June 8th, 1920.

At the same time and place the said Convention will elect members of the Precinct County Committee.

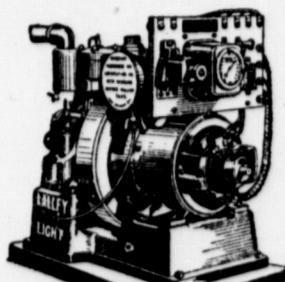

All Republicans are very cordially invited to be present.

Given under our hand, this Jan. 27th, 1920.

H. M. Beard, County Chairman  
J. R. Meador, Secretary.

## LALLEY LIGHT and POWER

Lalley Light

## Preferred by Progressive Farmers

Every prospective buyer of an electric light and power plant should know that there is a pronounced preference for Lalley-Light.

This is especially so among progressive farmers—the keenest men in every locality. If there were no other reason

for the Lalley preference, the fact that it has been in use for ten years would be sufficient.

But there are many good reasons—the greater Lalley economy, its greater power, its long life, and the actual savings it makes in time and labor and money.

KY. ROUND-UP  
SHORT-HORN SALE

To Be Held in Bourbon Stock Yards Feb. 26. Breckinridge Farmers to Take Part.

The Kentucky Pure Bred Live Stock Association is making extensive preparations for the sale and show of pure bred live stock to be held in the Bourbon Stock Yards, Louisville, February 24, 25, 26, and 27.

Tuesday, February 24, will be the day for the Kentucky Round-up Holstein Sale and Show; Feb. 25, is the Angus Sale and Show; Feb. 26, Short-horn Sale and Show; Feb. 27, Hereford Sale and Show.

W. R. Moorman, Jr., of Glen Dean, is a member of the Sales Committee for the Ky. Round-up Short-horn Sale. And J. M. Howard, of Glen Dean, has consigned to this sale the Scotch Cow Strothallion Mary and several well bred calves of good quality, including a young bull by Roan Sultan one of the best sons of Whitehill Sultan.

The Short-horn Breeders of the State will hold a meeting at the Hotel Henry Watterson on Wednesday evening, Feb. 25, at 7 o'clock.

CANAL FROM G. L.  
TO OHIO RIVER

Ohio Legislature Passes Bill To Construct Barge Canal Connecting Great Lakes And Ohio River

The Ohio Legislature before winding up its work, took the initiative for the construction of a barge canal to extend from the Great Lakes to the Ohio river by passing a bill providing the preliminary steps. Now that Ohio has taken the lead, it is expected that the Federal Government will begin surveys for the proposed waterway. Several routes have been proposed. One extends from Cleveland through the Mahoning Valley to Pittsburgh, another from Sandusky through Columbus to Portsmouth, and the third from Toledo to Lima and Dayton to Cincinnati.

The War Department has also given permission to widen and dig deeper the Desplane River in order to open the canal of Lake Michigan into this river which empties into the Illinois River.

With a nine foot stage in the Ohio and Mississippi Rivers it will be possible to load a vessel on Lake Erie or Lake Michigan, and send freight through to the Gulf without having to handle it but once.

When these locks and dams on the Ohio are completed, navigation will come back to the days of long ago.

B. & O. RY. CO. PAYES  
\$7,500.00 TO SETTLE CASE

The action of David Stulz's guardian vs Baltimore & Ohio Railway Co., pending in the Jefferson Circuit Court, was settled the 7th, instant by the payment of \$7,500.00 to his guardian. The Bank of Hardinsburg & Trust Co. The action was for personal injuries sustained by Stulz while in its employ.

Claude Mercer represented Stulz and his guardian.

## FRYMIRE

Mrs. Oscar Burke left Friday for her home in Louisville, after several weeks stay with her parents, Mr. and Mrs. Paris Barr.

M. J. Robertson spent the week-end in Louisville, the guest of Mr. and Mrs. H. L. Bruner.

Mrs. W. W. Barger and baby, Charles Edward, and Miss Matilda Barger, were in Hardinsburg, Friday having dental work done.

Beckham Barr is in Indianapolis, Ind., visiting his cousin, Mrs. Lon Greenwell, and Mr. Greenwell.

Mrs. S. J. Brashear's condition remains about the same.

Several farmers from this vicinity shipped a car load of stock, Monday.

Prof. Horace McCoy, of Union Star will teach the remainder of the school which is one month beginning Feb. 2.

Rev H. J. Blackburn, of Wolf Creek passed through here Sunday afternoon enroute home having filled his appointment at Raymond.

Mr. and Mrs. Wallace Parks, Mr. and Mrs. C. L. Dodson, Mr. and Mrs. Will Grant and Mr. and Mrs. B. R. Noble entertained to Rook last week.

June Mattingly and family, who were tenants on Otis Severs farm, have moved to Mrs. Sarah Burch's place, and Morgan Noble and family will move into the house vacated by Mr. Mattingly.

## FIND OIL ON JACKSON FARM IN HANCOCK.

The oil well on the Jackson farm near Goering was shot Tuesday evening and in less than one and a half hours the oil raised to a height of 250 feet in the well. The oil men in this city have figured that the flow of oil at the present time indicate about a fifteen barrel well a day. Arrangements for installing a pumping outfit will be working today or not later than Monday. Interest is still at a high pitch and it now looks as if the Newman Oil Co., will be rewarded for their preservation in the oil business.

Sixty quarts of glycerine was used in the shot.—Hancock Clarion.

## REV. FRANK INTERESTED IN ORGANIZING COMMUNITY CHURCH.

Greenville, Ky., Feb. 6.—The Baptist, Methodist, Cumberland, Christian and Presbyterian churches of this town have bought the Y. M. C. A. building here and will operate it on a community basis. The building is one of the best in Western Kentucky but has not been operated by Y. M. C. A. for about three years.

The scope of the work which the churches propose to do with this building as its center is broad. The county agent, the home demonstrator, the county health nurse, the county welfare worker and the farm bureau will have their offices here. The gymnasium will be opened up, reading rooms established, and the building made the center of the community's social, industrial and economic life.

The enterprise will be under the direction of a board of control, composed of the pastor of each of the five churches and a lay member from each. For the immediate present the work will be directed by the pastors, each giving an allotted amount of time to it.

The men behind the movement are the Rev. O. A. Barbee, of the Cumberland church; the Rev. W. C. Frank, of the Methodist church; the Rev. C. E. McLean, of the Presbyterian church, and Dr. Nowlin, of the Baptist church.

## THREE NATIONAL HOLIDAYS FALL ON SUNDAY THIS YEAR.

Another unusual incident in this year's calendar is that three national holidays fall on Sunday. These holidays are Washington's birthday, Feb. 22, Memorial Day, May 30, and the 4th of July. Washington's birthday will be observed as a holiday on Monday, Feb. 23.

## ENTER B. C. HIGH SCHOOL.

Garfield, Ky., Feb. 9. (Special)—Messrs. Morris and Ralph Richardson left Monday for Hardinsburg to enter the spring term of the Breckinridge County High School. They are the sons of Mr. and Mrs. I. B. Richardson, of this place.

## JURORS PANED FOR FEB'Y COURT

Breckinridge Circuit Court Opened Monday. Judge Layman Presiding.

The February term of Breckinridge county Circuit Court, opened in Hardinsburg, Monday morning with Judge Layman presiding. Those penneled on the Grand Jury are: J. A. Gray, foreman, Cliff Davis, W. R. Pate, G. A. Wright, Remus Burch, Wallace Brown, J. E. Galloway, W. V. Dent, Geo. W. Holmes, Dennis Miller, Benjie Dowell and J. S. Matthews.

Following is the Petit Jury: R. D. St. Clair, Richard Black, A. J. Dye, Taylor Dowell, J. V. St. Clair, Gardner Board, J. T. Lucas, Wash Robbins, W. A. Rhodes, V. G. Goodman, P. G. Hendrick, P. Morris, Beard Monroe, Basham, J. L. Morris, John Franks, Pete Dooley, S. B. Laslie, E. Bruner, H. M. Beard, Orval Bennett, J. B. Sipes, W. P. Ryan, H. D. Basham and T. H. Chancellor.

Mrs. R. L. Oelze will be hostess to the Ladies Reading Club this week.

## 19 ARE SUCCESSFUL IN PASSING COUNTY EXAM.

Frank Newman of Mattingly Makes Highest Average.

Out of thirty-nine applicants for taking the county examination for graduation from the graded school, nineteen were successful according to the statement of the County School Superintendent, J. Raleigh Meador.

Of the nineteen who passed, Frank Newman, of Mattingly, made the highest average: 93 4-11 and Harry Newman, also of Mattingly made the next highest 91 4-11. The other seventeen who passed are: Marian Compton, Garfield; Robert Harper, Webster; Cliff Davis, Burch, Chenault; Katharine Reidel, Holt; Forrest Goff, Tarfork; Mildred Lyons, McQuady; Martha Davis, Kirk; Lewis Cart, Mystic; Mary E. Ryan, Mattingly; Mary D. Hills, Samuel E. Conrad, Robert Oelze, Thos Smart, Paul E. Berry, Mary Whitehead, Maggie Squires and Shelby L. Harrington, of Cloverport.

Mrs. R. L. Oelze will be hostess to the Ladies Reading Club this week.

## Protect Your Home

Just as you build to provide a home for the protection of your family, so you should build up a Reserve Account as a protection for that home.

No home can be really successful that does not have a surplus fund of cash protecting it.

And the best way in which you can protect this fund is to deposit it in a Certificate of Deposit with this strong bank where, in addition to absolute protection you will receive 3 per cent. interest.

**3% on Time Deposits**

## ARE YOU A TARGET FOR INFLUENZA?

It Hits Listless, Run-down Peo-  
ple First—Their Blood is Thin

### GERMS EVERYWHERE IN EPIDEMIC

Be Prepared—Strengthen and  
Build Up Your Blood With  
Pepto-Mangan.

If it is true that you are not feel-  
ing your best—if you have that “al-  
ways-tired” feeling and no interest or  
enthusiasm—then you should be care-  
ful of the influenza.

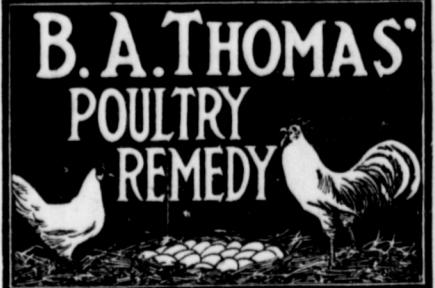

It is thin-blooded, anemic people  
that disease strikes first. The fact that  
you have had a very few serious ill-  
nesses has nothing to do with it. Every-  
one gets run-down occasionally, and  
when they do, the blood is in no  
condition to fight off disease germs,  
because it has not enough red corpuscles.  
It is the red corpuscles of the  
blood that fight disease and save you  
from sickness.

You simply can't afford to take  
chances when influenza is striking  
down thousands everywhere. Fortify  
your blood—build it up with the  
pleasant tonic, Pepto-Mangan.

And should you be just recovering  
from influenza, you need Pepto-Mangan  
because your blood has exhausted  
its strength. Pepto-Mangan will help  
build you up.

Pepto-Mangan is widely and heart-  
ily endorsed by physicians. It is ef-  
fective and easy to take. Comes in  
either liquid or tablet form. No dif-  
ference in medicinal properties.

Sold at any drug store. But be sure  
you get the genuine Pepto-Mangan—  
“Gude's.” Ask for it by the name and  
be sure the full name is on the pack-  
age. (Advertisement).

## GERMANY UNDONE BY OWN WEAPON

Had Sold to America Secret  
of Making Explosive  
From Air.

### BIG NITRATE PLANT RESULTS.

Built in Eight Months It Con-  
vinces Kaiser of His Defeat.

By GARRET SMITH.

One of the most romantic passages in  
the secret history of the World War  
is the story of how the Ordnance Department of the United States Army  
made it possible for America, until then utterly lacking in ammunition  
and in facilities for making it, to manufacture unlimited quantities of powerful explosives out of air and rock.  
It was largely the knowledge of this  
fact that forced Germany to surrender  
when she did.

The secret was secured from Germany herself. It was an open business transaction between business men, whereby we apparently acquired  
nothing more military than a process for  
making a high grade fertilizer known as cyanamid.

Frank Sherman Washburn, head of the group of business men who bought this process, conceived the germ of the idea in the early nineties while in South America as consulting engineer in connection with the production and shipping of Chilean nitrate of soda. Nitrogen compounds are an essential part of all commercial fertilizers. The only available natural nitrate deposits in large quantities are in Chile. This supply was diminishing. Germany, which had been taking about one-third of the Chilean nitrates, was already experimenting with processes for their artificial production. In 1907 Mr. Washburn secured in Germany the American rights of the cyanamid process, which had been invented in that country.

**Turning Air Into a Weapon.**  
By this process air, which is a mixture of about four-fifths nitrogen gas and one-fifth oxygen, is placed in containers and subjected to pressure and cold until it turns to a liquid. Then the nitrogen is distilled in much the same manner as alcohol is separated from water. But before this nitrogen can be used as a fertilizer it must be combined with a chemical combination of lime and carbon known as calcium carbide, produced by burning ordinary limestone in big rotary kilns and combining it in the electric furnace with carbon supplied in the form of ordinary coke.

Cyanamid thus produced contains the elements of ammonium nitrate, one of the most powerful of modern explosives. By one process ammonia is extracted from the cyanamid. By another process nitric acid is extracted from another batch of this same cyanamid. Then the ammonia and nitric acid are combined and there you have ammonium nitrate ready for packing into shells with TNT.

There are three kinds of explosives used for bursting shells in modern warfare—TNT, picric acid and ammonium nitrate. The United States was equally deficient in raw materials and plants for manufacturing all three of these explosives. Under the best of conditions the cost of either TNT or nitric acid is about two and one-half the cost of ammonium nitrate. But the United States was wholly dependent upon Chilean nitrate of soda as a raw material for ammonium nitrate, with the exception of a small production of nitrogen from the coking of coal. The Chilean supply was 4,500 miles away from New York City by way of the Panama Canal, and the route by way of the Straits of Magellan is nearly twice as long.

**A Record Building Operation.**  
Shortly after the war began in Europe the German government entered into the fixation of air nitrogen for military explosives on a vast scale. It was not, however, until the fall of 1917 that the United States government took it up.

The Ordnance Department asked Mr. Washburn's company to organize a subsidiary corporation, known as the Air Nitrates Corporation, with Mr. Washburn as president, to act as agent of the government for the construction and operation of the air nitrates plant at Muscle Shoals, Alabama. This corporation provided the designs, erected the equipment in the chemical plants and supervised all the other work. It also operated the camp, the town and the plant. Other work is sublet to several of the best known organizations in the United States. Westinghouse Church Kerr Company built the plant buildings, the camp, the permanent city and utilities. The J. G. White Engineering Corporation designed and built the nitrate acid plant. The M. W. Kellogg Company furnished the piping and built the chimneys. On February 16, 1918, ground was broken, and eight months and eight days later the \$60,000,000 Muscle Shoals plant began producing ammonium nitrate. In that brief period 23,000 men had completed the plant and around it, where not a house stood before, had arisen a city of 25,000 inhabitants.

This plant when in full operation was ready to provide 13 per cent of all explosives to be used by all the allies on all the allied fronts during the ex-  
pected spring drive of 1919.

## BOMBS IMPRACTICAL IN FIGHTING FOREST FIRES

Suggestion Given Serious Con-  
sideration by Officials of  
Forest Service.

Ingenious, imaginative persons have  
recently proposed as a method of  
fighting forest fires that gas bombs  
be dropped from airplanes. Officials  
of the forest service, department of agriculture,  
say that this suggestion is  
entirely impractical. There is no analogy  
between the suggested method and the  
use of poison gas bombs in fighting  
forest fires. The gas liberates did not escape outside  
this area or rise more than ten feet above the ground, still such attack  
would be far from effective. The  
300 pounds of gas would be equal in  
volume to about 3,000 cubic feet, and  
so the atmosphere surrounding the fire

would not suffice to put out a fire.  
The only kind of a gas which will assist in stopping a fire, forest officials  
declare, is an inert gas that will  
neither burn nor support combustion,  
such as nitrogen or carbon dioxide.

From the standpoint of cheapness  
and ease in handling, carbon dioxide  
would probably be the most promising  
gas, were gas bombs to be experimented  
with in forest fire fighting. However,  
as soon as an attempt is made to work out practical plans for  
such an undertaking difficulties become  
apparent. If an airplane, carrying 500  
pounds of gas bombs containing 300  
pounds of carbon dioxide, succeeded in  
dropping the bombs exactly on a fire  
covering some 700 square feet, and if  
the gas liberated did not escape outside  
this area or rise more than ten feet above  
the ground, still such an attack  
would be far from effective. The  
300 pounds of gas would be equal in  
volume to about 3,000 cubic feet, and  
so the atmosphere surrounding the fire

would be about 43 per cent carbon  
dioxide and 57 per cent ordinary air.  
Since the air contains 21 per cent oxygen,  
this mixture would contain 21 per  
cent of 57, or 12 per cent oxygen—  
enough to support combustion. From  
such facts forest service officials believe  
that effective use of gas bombs  
for fire fighting in forests is entirely  
out of the question.

### “NERO'S HORSES” IN VENICE

Famous Bronzes Returned—Were in  
Rome for Wartime Safety.  
The four bronze horses which  
adorned the facade of St. Mark's cathedral  
have again been put in place  
after an absence of more than two  
years, due to their transfer to Rome,  
where they had been kept to avoid  
capture by the Austrians or destruction  
by air bombs. The horses are regarded  
as the finest specimens of ancient  
bronzes and according to tradition  
graced the triumph arch of Nero.

The Velvet tin  
is twice as big  
as shown here

## There's a World of Solid Comfort In the Rich, Red Tin

**Y**ES, sir, we mean that same warm red and gold  
tin that smiles a welcoming “Howdy” to you in  
every tobacco store. Know what those colors mean?

The red is for the friendly warmth, the mellow  
cheeriness, that Velvet puts into your old pipe. And  
the gold is where the Kentucky sunshine, that ripens  
good old Velvet, has just sort of soaked through.

Remember what Velvet Joe  
said about it?

“You've met canned meat and  
canned music. Ever see any tinned  
sunshine? Well, look into any  
Velvet tin.”

And think this over:

We don't have to hide Velvet's taste or smell with  
a lot of this, that and the other thing. Because Velvet  
has *naturally* what pipe smokers want—real simon-  
pure tobacco taste and fragrance. It's just good, honest  
Kentucky leaf, made still more friendly and mellow by  
two years' ageing in wooden hogsheads. Just good  
tobacco. That's all. But it's mighty near enough for  
the man who wants a pipeful of tobacco and not a box  
of bon bons.

The picture of a pipe on the tin needn't keep you  
from rolling a jim-dandy cigarette with Velvet.

How's the Velvet holding out in your old red tin?

Liggett & Myrick Tobacco Co.

**-the friendly tobacco**

## BALLARD FAVORS TAXING AUTOS

To Raise State Road Fund.  
\$7,000,000 Needed For Road Work in Kentucky.

Frankfort, Ky., Jan. 29.—Representatives of the Louisville Automobile club and members of the joint legislative committee now drafting a highway plan met at the residence of Lieutenant Governor Ballard here, and discussed plans for raising the revenue with which to finance the road plans.

It was estimated that it would require \$7,000,000 to finance the road work contemplated. Of this sum \$2,000,000 will be supplied from the federal aid road fund, leaving \$5,000,000 to be raised by the state.

Lieutenant Governor Ballard suggested a road tax of \$1 per horsepower on automobiles from which he said a fund of \$2,000,000 could be raised.

Albert L. Terstegge, chief spokesman for the Louisville Automobile club said \$1 per horsepower on automobiles would be an unbearable burden. He said the highest tax im-

posed anywhere in the country was 60 cents per horsepower.

Mr. Terstegge proposed that a tax of 5 per cent be laid on all bets or wagers on race tracks, and that from this source \$3,000,000 annually could be raised. He also wants to tax soft drinks.

Another proposition advanced was a tax of \$5 per acre on all lands abutting on improved roads. It was said this system of raising road funds was employed in a number of states. The justice of this form of taxation was urged because it imposes a burden only on those it most directly benefits.

A suggestion of a general tax of three cents on the \$100 worth of property, was made, but Mr. Ballard thought Governor Morrow would not consent to a raise in the tax rate.

The conference was an informal one, and while much good roads spirit was manifested and various suggestions offered in regard to plans for raising a road fund, no definite plans were agreed on.

### TALK YANK

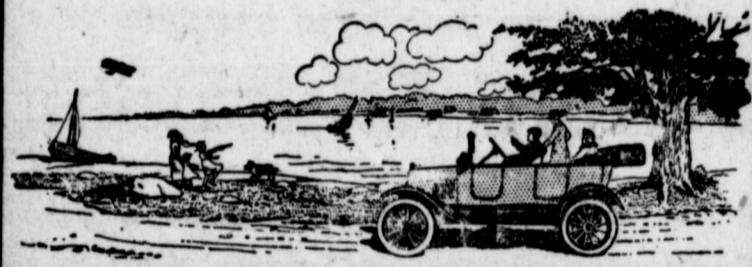

John—"How far is it to camp?"  
Ol' Timer—"About five miles as the crow flies."

John—"Well, how far is it if the danged crow has to walk and carry a rifle and full pack?"—The Stars and Stripes, Washington, D. C.

The simplicity of the Ford car, its stability in construction, the famous heat treated Vanadium steel with its marvelous strength and flexibility, the low cost of operation and maintenance, its ease in operation, all have made the Ford car the great favorite in every land in the world. It's the one car that always satisfies and serves. A utility beyond question that all can afford. We will be pleased to have your order. Don't delay because the demand is heavy all the time. We have almost everything in motor car accessories, sell the genuine Ford Parts, and assure the best in mechanical repair work.

T. J. HOOK,  
HARDINSBURG, KY.

## Perfect Lenses For Imperfect Eyes

DO YOU KNOW that your earning capacity your health and happiness largely depends on the good condition of your eyes?

DO YOU KNOW that 90 per cent, of all headaches come from defective vision?

DO YOU KNOW that most of the severe cases of eye trouble are caused by neglect?

The steady drain on the reserve strength of your eyes will sooner or later make glasses absolutely necessary. Perhaps you NEED THEM NOW.

## CAMP TAYLOR TO BE ARMY SCHOOL

Equipment Worth \$2,250,000 Being Installed For Vocational Education.

Camp Zachary Taylor, Louisville, is soon to be converted into one of the largest vocational educational schools in any army camp in the United States. \$2,250,000 worth of equipment is being installed at the camp by the War Department. Soldier students are enrolling in the army school, 2,500 enrollments for the four departments have been taken.

Seven car loads of machinery have been received for the printing, powers, metal and auto-motive departments. More vocational departments have been assigned to Camp Taylor than to any of the other army schools, according to the army officials of Taylor.

### ST. LOUIS HAS SALE OF \$25,000,000 WORTH OF FURS.

St. Louis, Feb. 1.—More than 15,000,000 pelts, valued at about \$25,000,000, will be placed on sale to-morrow at the opening of the winter auction of the International Fur Exchange.

Approximately 600 buyers from various parts of the world, including 23 from Germany, were registered to-night. The sale will continue two weeks.

Old Hickory—Heavens, the Republicans have some Wood too!—New York Sun.

## KY. IS DIVIDED INTO 18 DISTRICTS

Taking Of Industrial Census Soon Begins; 1,200 Jobs Open.

Close at the heels of the censuses of population and agriculture comes the next big step in the work of the Fourteenth Decennial census—that of taking the census of manufactures, mines and quarries and oil and gas wells. Director Rogers of the Census bureau announced Saturday that March 1, would see the work of collecting Uncle Sam's industrial statistics well under way. The general schedules have already been mailed to all manufacturing establishments in the country, approximately 400,000.

More than 1,200 special agents will be needed by the Census bureau to carry on the vast work of enumerating each factory, mine, quarry, oil and gas well in the nation, and Director Rogers has issued an open invitation for all men interested to file applications for these jobs immediately with the Census bureau, Washington. In his statement, Mr. Rogers says that the work of the special agents will be from two to four months duration and that an energetic agent can earn from \$125 to \$150 per month. When traveling a per diem subsistence allowance is also made.

The state of Kentucky for the pur-

poses of the industrial census work has been divided into eighteen districts with Louisville and Harlan as headquarters for the chief special agents sent out from Washington by the Census bureau. According to present plans twenty special agents will be needed in the eighteen Kentucky districts with headquarters in the following cities: Paducah, Henderson, or Madisonville, Owensboro, Bowling Green, Lexington, Beattyville, Ashland or Catlettsburg, Louisa, Jackson, Prestonburg, Salyersville, Whitesburg, Pikeville, Manchester, Williamsburg or London and Richmond.

LIKES KY. BETTER THAN ILL.

Mr. Jno. Babbage, Cloverport, Ky. Dear Mr. Babbage: Will you please change my paper from Findlay, Ill., Route 3 to my present address, Dalton City, Ill., Route 2. This is a fine country but I will take old Kentucky for my home. I am anxious to get The Breckenridge News. Thanking you in advance for your trouble. Yours respectfully, Mrs. Maude Stevens, care Ed Moody.

### CHANGES ADDRESS.

J. D. Babbage, Cloverport, Ky. Dear Sir: Please change address on my paper to the following and oblige, L. R. Adkison, Bristow, Okla.

### WELCOME WEEKLY VISITOR.

Dear Mr. Babbage: Am enclosing check for \$1.50 for subscription to The Breckenridge News a welcome weekly visitor. With regards to the family. Very sincerely, (Mrs. J. E.) Lula J. Owen Matthews, 3411 Knight Street, Dallas, Texas.

### LIKES TO HEAR

FROM OLD HOME.

Mr. J. D. Babbage, Cloverport, Ky. Enclosed find check for \$1.50. Please send me the Breckenridge News as we still like to hear from the people from our old home. Respectfully,

yours, Mrs. J. C. Armstrong, Alexis, Ill., Route 2 Box 87.

### MOVED OUT OF THE COUNTY

Mr. Jno. D. Babbage, Cloverport Ky. Dear Sir: Please change my address for The Breckenridge News from Lodiburg to Jacksonville, Ill., Route 5. This is certainly a pretty place, but just the same we want the paper from home. Thanking you in advance, I am sincerely, Glen Macy, Jacksonville, Ill.

Misses Burn Entertain

On Monday Evening.

Misses Margaret and Edith Burn gave a pretty Valentine party at their home on Railroad St., Monday evening, to the members of Mrs. D. B. Phelps' Sunday-school class. The guests enjoyed the evening's entertainments and a delicious salad course was served them before leaving.

Philathae Class Presents  
Mrs. Couch With a Gift.

On Tuesday evening of last week,

Miss Martha Willis entertained the members of the Philathae class of the Baptist Sunday-school and their teacher, Mrs. A. N. Couch, who was the honored guest of the occasion.

While the guests were enjoying the delightful refreshments, one of the members of the class presented Mrs. Couch with a beautiful pin as a parting gift from the class.

Miss Cecil Dix and

Mr. Joe D. Moorman Married.

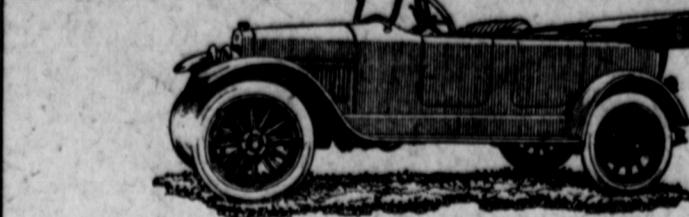

Glen Dean, Ky., Feb. 9. (Special)—Mr. Joe D. Moorman, of this place, and Miss Cecil Dix, of Stephensport, were married in Louisville at the Hotel Henry Watterson on Thursday, Feb. 5. The Rev. Robert Hill Tandy was the officiating clergyman.

The groom is the son of Mr. and Mrs. Jess A. Moorman and he is a progressive young farmer. The bride is the daughter of Mr. and Mrs. Sam Dix, of Stephensport, and is one of Breckinridge county's best school teachers.

Mr. and Mrs. Moorman will reside on a farm near here.

Mr. Earl Moorman Marries  
Fulton County Girl.

Glen Dean, Ky., Feb. 9. (Special)—Mr. Earl Moorman, of Glen Dean, and Miss Myra Shelton, of Hickman,
